

Checking The SpamBucket of your Email Account

1. Open Internet Explorer or Firefox
2. Type mail.yourdomain.co.za into the addressbar and press Enter

3. Click on the Webmail Envelope Icon

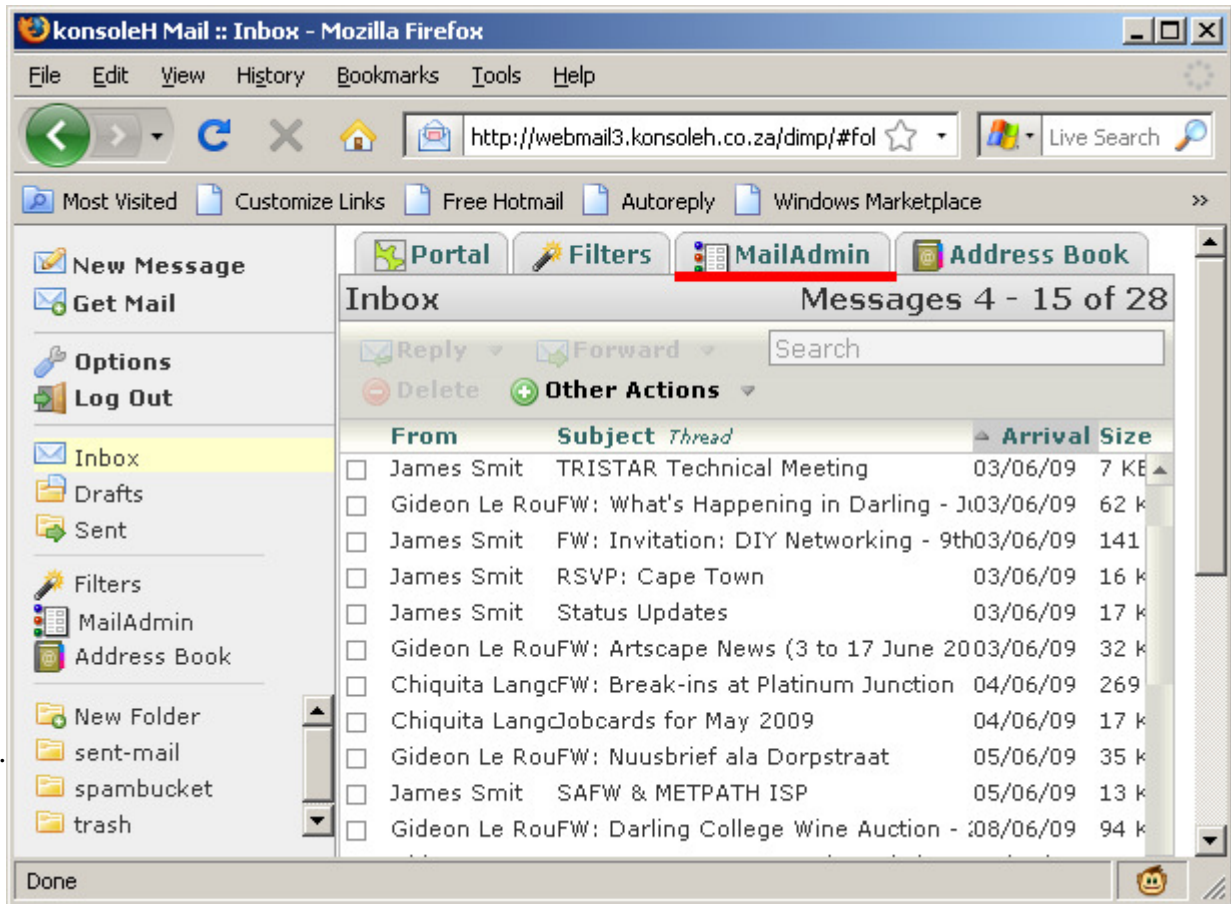

4. Type in your email account (example : user@yourdomain.co.za)
5. Type in your password
6. Click Login

The screenshot shows the login form in the KONSOLE interface. It has three input fields: "Email (eg. you@domain.com)" with the value "user@yourdomain.co.za", "Password" with the value "Your Password", and a "[Login]" button. The "[Login]" button is circled in red. At the bottom of the form, the text "Copyright konsoleH 2005 | All Rights Reserved" is displayed.

7. And now your mail will open.
8. Click on Mailbox Admin

9.

Your Mail Account
